William J. Bond was erroneously reported as a B3 NRF-rated researcher. He is in fact an A1 NRF-rated researcher. The error appears on page 2, paragraph 4, line 1 and in Table 2.

The NRF rating of Christopher S. Henshilwood was reported as N/A in Table 2. He is actually an A2 NRF-rated researcher with primary affiliation to the University of Bergen, Norway.

The remainder of Table 2 is unchanged. The corrected Table 2 appears below.
